The Best-dos Santos Public Health Laboratory reported this morning that all 157 tests done for COVID-19 yesterday were negative.

Additionally, the 33 results which were pending from testing carried out on April 29 were also negative.

The laboratory has now completed a total of 2317 tests. Of these, 81 were confirmed cases of the viral illness.

Meanwhile, the number of recovered persons remains at 39 and persons in isolation at 35. There have been seven deaths.
