

COVID-19 Update: Three New Cases Today

BY BGIS | APR 12, 2020 | CORONA VIRUS, TOP STORIES

Three more Barbadians tested positive for COVID-19 yesterday out of a total 58 tests carried out by the Best-dos Santos Public Health Laboratory.

There are a 64-year-old man, who returned to the island on March 16; a 27-year-old woman, who was in contact with two known cases; and a 62-year-old man, whose case is being investigated.

This brings the total number of persons who have tested positive for COVID-19 since March 16 to 71, 35 males and 36 females, ranging in age

from seven to 95.

Four deaths have occurred and 11 persons have recovered and have been released from isolation. There are 56 persons currently in isolation. The number of tests done by the public health laboratory to date is 805.
