Today's COVID-19 figures for Denmark

Updated daily at 14th

	samples	tested	Confirmed cases	Over infection	Deaths (%)
Number today	606574	504543	11593	10240	568 (4.9)
Change since yesterday	23522	20061	81	60	0

Obs. No deaths have been recorded in the last 24 hours, but this may be due to the fact that the reporting system for eg. The cause of death register was down last night due to platform updates of the system. This came into operation again yesterday morning (May 28, 2020), but reservations must be made for data as doctors must be able to follow up on death certificate reports.

	hospitalized	Of which in the intensive department.	Of which on intensive and in respirator
Number today	106	18	10
Change since yesterday	-4	-2	-1

Today's COVID-19 figures for the Faroe Islands and Greenland

Updated daily at 14th

	Number tested	Confirmed cases	Over infection	Deaths (%)
Faroe Islands	9568	187	187	0

Greenland	2030	13	11	0
-----------	------	----	----	---
